Dear Mr Harvey,

This letter will confirm your discussion with Carnival Cruise Lines ("Carnival") personnel where you were informed that you will not be permitted to sail onboard any Carnival Cruise Lines vessel in the future. This decision was based on your actions on the current cruise, which were a violation of the ship rules, interfered with the safety and/or enjoyment of other guests on the ship or caused harm to Carnival. Your attempt to book a future cruise will result in cancellation and a possible loss of deposit monies.

Thank you for your cooperation in this matter.

Sincerely,

Giuseppe Giusa
